 - b. Draft shared with the board members and available on district website
 - c. Will be shared at coffee with the principal this Friday, October 25.
 - d. Site Council reviewed with a slide show presentation
 - i. Discussed last year's goals and current goals related to
 1. Academic achievement (math and ELA)
 2. English Learners/Achievement Gap
 - a. Timing/pacing of ELPAC test may have affected scores
 3. Human Capital - Professional Learning Communities (PLC)
 4. Inclusive and Supportive Culture - attendance and suspension rates, training on restorative circles, SART process, counseling, increasing communication with parents
 - ii. Reflections - what worked, what didn't, and what is going to change as a result
 - iii. Looked at budget and prices involved in goals
 - e. Homework Center
 - i. Started last year with six teachers, about 45 students
 - ii. Continuing again this year with five teachers signed up so far
 - iii. Information night on 10/24/19 for parents to go over guidelines and expectations
 - iv. First session is on 11/5/19, meeting on Tuesdays and Thursdays
 - f. Public Comments
 - i. District and site administrators create draft and determine priorities instead of site council looking at data and creating the plan as a team and determine budget for items
 - ii. Academic Achievement in math
 1. Plan does not mention new double math periods for math 8.1 and math 8.2 - double math has been happening for a few years now
 - iii. Human Capital
 1. PLC structure is vague and goal is not measurable
 2. Concerns about negative interactions on campus from staff members; include surveys for students, communities, etc.
 3. Create action items for staff in addition to students and families
4. Updates - tabled until next meeting
 - a. Conferences
 - b. Disaster Drill
 - c. Run, Hide, Defend Drill
 - d. Pique - started this year, 45 families involved and learning how to support their students
5. Schedule next meeting (All)
